NOAH COLE
2014-PRESENT

IN WORK AND LIFE, I'M INSPIRED BY NATURE, WILDERNESS, THE ENVIRONMENT, INSIGHT, DEDICATION, HEALTHY NATURAL SYSTEMS, MENTORS AND ACTS OF ALTRUISM.

WHY ARE WILDERNESS SPACES IMPORTANT TO YOU?

WILDERNESS SPACES ARE PLACES PEOPLE CAN GO TO RELAX AND BE INSPIRED, PLACES THAT WE HAVE A LOT TO LEARN FROM, PLACES THAT ARE HOME TO A BROAD DIVERSITY OF SPECIES THAT HELP KEEP THE ECOSYSTEMS INHERENTLY HEALTHY AND VIBRANT.

WHY QUETICO?

Quetico's backcountry wilderness camping and canoe routes are unique Canadian locations in the province of Ontario where you can experience old growth forest, drink straight from many lakes, see eagles, moose, loons, songbirds, wildflowers, Canadian Shield, beaches and sunsets all within the same day - and develop leadership, bonding and memorable experiences while you're at it.

WHAT DOES THE FOUNDATION MEAN TO YOU?

The Quetico Foundation provides first-rate stewardship for Quetico. The Quetico Foundation enables wilderness canoe trips, leadership-building, biology research, cultural awareness and creative opportunities for young people, for neighbouring communities and for Ontarians. The Quetico Foundation protects wilderness with a particular focus on Quetico Provincial Park.

WHAT IS THE **ONE THING YOU WANT OTHERS TO KNOW ABOUT QUETICO?**

Quetico needs to be protected. The park's wilderness is fragile and needs our help to maintain its integrity.
